MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Charles Snodgrass, House Appropriations
Committee Staff, 29 June 1978

According to Mr. Snodgrass, chances for an early Conference on the Appropriations Bill are diminishing. He quoted Senator Stennis as having said that the Senate Appropriations Committee will not go to Conference until an Authorization Bill has been signed by the President. In view of the inherent delay in getting a Presidential signature, and especially in view of the possibility that the President will veto the Authorization Bill, Mr. Snodgrass's observations probably are correct. He also mentioned that the House Appropriations Committee's report on intelligence will not be issued until about 20 July; his previous estimate had been July 10th.
